

# INVESTMENT OPPORTUNITIES IN AFRICA'S HEALTH SECTOR

**Date:**

**Thursday, 11 November 2021; 02.00 – 03.30pm**

**Virtual conference**

COVID-19 has exposed significant challenges for the Health sector in Africa, yet it has also created opportunities. To better understand how to partner with IFC on co-investment opportunities in the Health Sector in Africa, we invite all interested companies to join our knowledge sharing webinar.

---
